Uniforms (New Players Only)	\$225	\$225	\$225
Backpack & Warm-ups (Existing LOBOS players)	\$100	\$100	\$100

PLEASE NOTE:

We operate a leading full service soccer club. In addition to having exclusive access to excellent CSA fully-lighted fields and facilities, we continue to upgrade the clubs professional staff, establish new educational, skill and conditioning programs. We also offer a free week long advanced summer camp to all U14 and younger players utilizing numerous college coaches as instructors. For older players, we hire coaches with top credentials with current or past college coaching experience. We have recently added free D1 clinics and out of area campus visits to educate our players and parents alike. Additionally, we have hired a professional **College Soccer Counselor** that can prepare our older players to be successful in future college programs and enhance their scholarship opportunities.

We are also offering ALL existing **LOBOS** players a free “Uniform for Life” This program includes all subsequent uniform replacements (every two years) free of charge. Any new player must first purchase the entire kit but, thereafter, the new style uniform (changing every two years) will be free as long as you stay in the club (Lost or damaged uniform pieces are the player’s responsibility).

Despite all these improvements, our fee structure will remain the same as it has been for the last five years. We have continued to offer additional services without increasing fees. These programs are, in large part, due to the strength of our partnerships, improved tournament revenues and the volunteer efforts of everyone associated with the **LOBOS** – THANK YOU!

WHAT YOUR FEES INCLUDE:

The fees shown above include Uniform Fees, all professional Coaching fees, In-Season Club Training (Spring and Fall), Skill Focus Sessions, Goal Keeper Training, Winter Indoor Training, Summer Outdoor Conditioning and Administrative and State fees and the *First Step LOBOS* Camp for U14 and younger players. U14 and older players also receive free use of the College Soccer Counselor’s services as well as D1 Training Sessions and Out of Area College Campus Clinics.

The fees shown above do not include referee fees (~\$30 per season per player), tournament assessments or travel expenses associated with team activities each season. These additional fees can be substantial and vary widely from team to team based upon the number of families on each team, how many tournaments are played by each team and the cost and location of each tournament. The **LOBOS** board would like all families to understand that (with the exception of the Junior **LOBOS** who typically have limited travel) these additional costs exist and may add up to several hundred dollars.

Each player will also be responsible for \$100 in tournament program ad/sponsorship sales this year or will be assessed a \$100 charge to your player account. This assessment will not be collected until after our fall tournament and is only applied to the first two players within a family.

In addition, Town of Collierville – Athletic Usage Fees are not included in any **LOBOS** Fees and as such will be assessed and collected by team managers as part of team expenses (Collierville Residents - \$15/yr, Non Collierville Residents - \$45/yr)

Club Fees -Your fees cover coaching and administrative staff, field usage, Week-long *First Step* Soccer Camp, In-Season Club Training programs, Goalkeeper Training, Training Equipment, Winter Indoor and Summer Outdoor off-season speed and agility training, TSSA and MSSF League fees. Club Fees also subsidize part of the cost of the Junior LOBOS and U10 programs to keep those fees as low as possible for families new to competitive soccer.

MRSC Fees - Mike Rose Soccer Complex fees (shown above) cover the user fees for field usage.

Uniform Fees - Our uniform contract with **Adidas** extends through the 2014 season. We will be replacing uniforms every two years. Existing **LOBOS** players will now receive the basic uniform (does not include backpack or warm-ups) free of charge. They will be responsible for loss or damage to any and all parts. New players must purchase the entire kit however, in all subsequent uniform replacement years (every two years), they will also receive a free basic uniform if they have stayed with the club. The uniform package includes: lettering for uniforms, 2 **Adidas** game jerseys (home/away), two pair shorts, two pair socks, a two-piece warm-up suit and a backpack style **Adidas** bag.

Financial Assistance – Assistance is available for club fees to families experiencing hardship. Applications for financial assistance must be submitted to the **LOBOS** Committee as early as possible for review and approved on a case-by-case basis. For additional information on financial assistance and/or payment schedules, please contact **CSA/LOBOS** at (901) 854-8724 or **EMAIL** us at colsoc1@colsoc.com

Ad Fee

All Players

A \$100 advertising/sponsorship commitment is required of all players. Securing just a single business card-sized sponsorship (that will appear in both the **Wolf River Classic** and **Blues City Blowout** Tournament program) will fulfill this obligation. This fee will be due in November after the **2008 Wolf River Classic**. Any funds raised above the \$100 commitment will be split between the club and the family 50-50%. The family may use this revenue on any of their personal club or team related expenses. This commitment is only applied to the first two players within a single family.

Uniforms

Existing Players

All existing **LOBOS** players will receive the basic Adidas uniform free of charge (loss or damage to any or all of the uniform pieces will be the player’s responsibility). The basic uniform includes two **adidas** jerseys (home & away), two shorts and two socks. Existing **LOBOS** players must pay for the warm-ups and soccer backpack. The cost of these items is \$100 for both. \$50 is due upon ordering and the final \$50 is due upon receipt.

New Players

New **LOBOS** players will need to purchase the entire **adidas** uniform kit. If you remain a **LOBOS**, over the years, at all subsequent uniform changes (every two years) you will receive the basic uniform free of charge (loss or damage to any or all of the uniform pieces will be the player’s responsibility). The initial kit cost is \$225 and includes two **adidas** jerseys (home & away), two shorts, two socks, **adidas** warm-ups & soccer backpack. \$125 is due upon ordering and the final \$100 is due upon receipt.
