FREE WEEK-LONG CAMP and FREE “UNIFORM FOR LIFE” - PLEASE NOTE:

We operate a leading full service soccer club. In addition to having exclusive access to excellent, safe CSA fully-lighted fields and facilities, we continue to upgrade the clubs professional staff, establish new educational, skill and conditioning programs. We also offer a free week long advanced summer camp to all U14 and younger players utilizing numerous college coaches as instructors. For older players, we hire coaches with top credentials with current or past college coaching experience. We have recently added free D1 clinics and out of area campus visits to educate our players and parents alike. Additionally, we have hired a professional **College Soccer Counselor** that can prepare our older players to be successful in future college programs and enhance their scholarship opportunities.

We are also offering ALL existing **LOBOS** players a free “Uniform for Life” This program includes all subsequent uniform replacements (every two years) free of charge. Any new player must first purchase the entire kit but, thereafter, the new style uniform (changing every two years) will be free as long as you stay in the club (Lost or damaged uniform pieces are the player’s responsibility).

Despite all these improvements, our fee structure will remain the same as it has been for the last six years. We have continued to offer additional services without increasing fees. These programs are, in large part, due to the strength of our partnerships, improved tournament revenues and the volunteer efforts of everyone associated with the **LOBOS** – THANK YOU !

WHAT YOUR FEES INCLUDE:

The fees shown above **include** Uniform Fees, all professional Coaching fees, In-Season Club Training (Spring and Fall), Skill Focus Sessions, Goal Keeper Training, Winter Indoor Training, Summer Outdoor Conditioning and Administrative and State fees and the **Elite LOBOS** Camp for U14 and younger players.
